

Model : SPP-MTVUE100

100m VGA KVM Extender

- Extend VGA, keyboard, mouse up to 100m
- Anti-lighting design, durable stability, support hot-plug
- Connect PC by USB port, easy to use
- Using single CAT5 cable, low-cost, image still clear
- Dual-port design, conveniently monitor though VGA port at local, easy operation via KVM port at the far end
- Resolution: up to 1920*1200@60Hz

Specifications

Transmission distance	5-100m
Input/output interface	HD15PIN(VGA)
Local output	HD15PIN(VGA)
Range of output level	0.5-2.0Vp-p
Input level error	Less 3mV
Input resistance	75Ω
Output resistance	75Ω
Return loss	-30dB@5MHz
Max. DC compensation	±5mV-0
SNR	60dB
Type of interface	HDB15?Mini-DIN6,RJ45
Video	VGA,SVGA,XGA,SXGA,UXGA,LCD
Bandwidth	300MHz(-3 db) full loading, 0-10MHz +0.1dB +6dB to -0.8 dB
Lan cable format	CAT5, CAT5E, CAT6 UTP cable, CAT5E UTP cable is best
Power adapter	AC 7.5V/800mA
Operating Temp	0-50°C
Storage Temp	-20 - 60°C
Humidity	0-95% RH, Non-Condensing

Interface introduce:
